

**REMARKS**

DRAWINGS SUMMARY

The drawings filed May 12, 2008 have been received by the Office. However, an inconsistency exists between the drawings and the Brief Description of the Drawings in the specification. Figure 15 is contained in the Drawings but not listed in the Brief Description of the Drawings in the specification.

In response, Applicant has amended the specification to include a brief description of Figure 15. Therefore, Applicant respectfully requests that the rejections be withdrawn.

**CONCLUSION**

In light of the above amendments and remarks, it is respectfully submitted that the present application is now in proper condition for allowance, and an early notice to such effect is earnestly solicited.

If any small matter should remain outstanding after the Patent Examiner has had an opportunity to review the above Remarks, the Patent Examiner is respectfully requested to telephone the undersigned patent attorney in order to resolve these matters and avoid the issuance of another Office Action.

Although it is believed that no fees are due, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to our Deposit Account No. 50-2542.

Respectfully submitted,
